

if you can go to Buckner
Sunday and if you can I will
come up Saturday night and be
ready for Sunday's early train
but if you can't go I will come
up Sunday anyway to see my
Sweet Heart and look at the
city of Stephen's Creek more, and
see my best girl and tell her
how well I Love her.

You must send me of your picture
for my safe as I do want one of
them. Well I will Pray for
you and you must Pray for
me, I hope you have got religion,
as I have always tried to be
religious but made poor success,
Write before Saturday so I will
know what to do with myself.
